

The Casitas: Spacious, Luxurious and Decadently Private ...

A home away from home, where the eco conscious traveller can relax and enjoy the spacious and luxurious comforts to be found in this African Island Paradise. The Casita embraces Benguerra's unique blend of safari chic and Arabic style. They are romantic, luxurious and decadent – and designed to make one feel completely cherished.

Each Casita has:

Queen size bed with mosquito net (4 rooms have Twin Beds which can be converted into double beds)

Comfortable, tastefully appointed lounge area, inviting hours of relaxation

Mini-bar as well as tea & coffee making facilities

Plantation shutters on the large sliding doors as well as windows, allowing the fresh sea breeze to flow through the room

A 100 m² private timber deck with sparkling plunge pool and amazing sea views

Dining Gazebo on the private deck, to enjoy private lunches, starlit dinners, or for lazing in the hammock

En-suite bathroom with beautiful copper bath

Private outdoor shower with intricate mosaic art work

Direct access from the deck to the beach with private Sala and comfortable sun loungers

Private butler service

A lovely range of toiletries is provided in the room: shampoo, conditioner, shower gel, soap and insect repellent – but we recommend you bring your favoured brand.
